## Newsletter June 2020

This month's Learning Focus: **Children's Interests, Father's Day, Child Safety Week**

This month's Value: **Safety**

### Safeguarding

The 1<sup>st</sup> – 7<sup>th</sup> June is Child Safety Week. This is an annual campaign run by the Child Accident Prevention Trust (CAPT) to raise awareness of the risks of child accidents and how they can be prevented. In 2020 they were working to raise awareness of the number of children that are seriously burned and scalded each year. Many of these accidents are entirely preventable.

In response to COVID-19, CAPT has changed its focus in 2020 to provide families and practitioners with essential advice on keeping children safe in lockdown and as lockdown eases. The full parent pack can be found at the link below...

### Sun Safety

If your child has returned to nursery this week, please make sure they have a sun hat and that you have applied suncream before they arrive. Children who are here all day should also have suncream in their bag or kept with us onsite, so this can be reapplied during the session.

### Home Learning Ideas

Here are some ideas you could try with your child this month...

Talk about your dad, granddad or other special male person in your life. Make them a card or a present to celebrate how wonderful they are!

Play outside in a water tray. Fill and empty containers using words such as full, empty, half full, more, less...

Look at the flowers in the parks and gardens. Can you count any? Can you talk about the colours? Collect some petals to make a collage picture.

Learn about shadows. Create a shadow with your body or toys. Talk about the shape or height. Can you draw around the shadow with chalk?

Don't forget to send us a photo of your home learning via ParentZone.

This month's seasonal recipe to try at home...

### Sunshine Lollies - makes 6 x 60ml lollies

#### Ingredients

5 large carrots  
juice of 3 large oranges, zest  
of 1 orange  
1 satsuma, peeled then  
chopped (optional)

#### Method

1. Finely grate the carrots and place in the middle of a clean tea towel.
2. Gather up the towel, and squeeze the carrot juice into a jug, discarding the pulp.
3. Add the orange juice and top up with a little cold water if needed to make up 360ml liquid.
4. Stir in the orange zest and satsuma pieces,

## THANK YOU

Just a little note to say a huge **THANK YOU** to all the families who have supported us during this difficult and strange time. Although we were apprehensive about opening again so soon, it has been lovely to see some of the children again today; hear about their adventures at home and see them playing together...albeit at a distance!

We will continue to support families at home through email, our public Facebook page and private Facebook group. All Home Learning Ideas packs can also be found on our website under the 'Parents' tab.

We have had a successful first day back; the children have been tremendously sensible adapting to the new way of working and we are looking forward to seeing even more of you soon.

**Stay Safe.**
